## **PRESIDENT'S REPORT**

**Season's Greetings!** I don't know where this year went, but it seems to have flown right by. I look forward to serving you as your president in the upcoming year. One of my goals for the upcoming year, along with the District Director and President elect, is to see if we can get more participation from our members. Another goal we have set is to try and find a way to get our Vice president's a little more active in their districts. It has to begin with communication. Therefore, we feel communications is a key ingredient to the success of this organization. We'll do our best to try and make this happen.

I hope to see all of you at the President's Ball scheduled for January 20<sup>th</sup>, 2006. For tickets and information please contact Harvey Karpinski at 586-468-7221, or contact your district Vice President.

The Spring Rendezvous is going to be held the week-end of June 16-18. There will be more information at a later date.

There is also a listing of where all scheduled meetings will be this year on the web site and in the conclusion of this log. Any changes will be posted on the website and log. In closing, I would like to wish all of you and your families a very merry Christmas and a healthy, prosperous New Year.

P/C Jim Yount
